

ACLCA SA 2-DAY WORK, HEALTH & SAFETY TRAINING

ACLCA SA will hold a 2-Day Work Health and Safety training course specifically targeted to working on contaminated land projects and providing attendees with relevant examples and case studies relating to working in this industry.

For personnel new to this industry, it will provide an awareness of the key hazards associated with their routine work. For personnel who already have some experience within the industry but have not had any formal training, it will provide exposure to best practice controls associated with their work.

The course will be delivered by Steve Brazil, National Health, Safety and Environment Manager for Senversa. Steve has 25 years' experience in the contaminated land and waste environmental consulting industry, both as a consultant and a HSE advisor.

The course will be held over the following two days:

Tuesday 29 May 2018

&

Wednesday 30 May 2018

**Hilton Adelaide
233 Victoria Square, Adelaide**

Day 1

8:30 am – 9:00 am Registration

9:00 am – 5:00pm Sessions

Topics:

- HSE Basics
- Soil investigations
- Groundwater investigations
- PPE

Lunch, morning and afternoon tea provided

Day 2

8:30 am – 9:00 am Registration

9:00 am – 5:00pm Sessions

Topics:

- Subcontractor management
- Chemical exposure
- Managing HSW Related risk
- Other hazards

Lunch, morning and afternoon tea provided

To Register:

Please submit the registration form to sa@aclca.org.au by 15 May 2018.

Once the form has been received a tax invoice will be issued by ACLCA for payment. Payment to be made before attending.

Please note:

- All registrations are taken as confirmed, unless cancelled by the above date. No refunds will be given thereafter although a substitute will be accepted.
