

## FUNDAMENTALS OF SITE CONTAMINATION 2-DAY TRAINING PROGRAM 2022

This training program will cover fundamental steps in the environmental site assessment process, in accordance with current industry practice, guidelines and standards, as well as the basics of site remediation.

The program includes theory, practice and case studies presented throughout the 2-day course. Presenters include industry experts (geologists, hydrogeologists, risk assessors, remediation experts and contaminated site auditors) as well as the regulator (SA EPA).

The case studies will be based on example sites in South Australia, with regard to current SA legislation and guidelines as well as the *National Environment Protection (Assessment of Site Contamination) Measure 1999*.

The course will be held over the following two days:

**Friday 21 October**

**&**

**Friday 4 November**

**@**

**Adelaide Pavilion  
cnr. South Terrace & Peacock Road**

### Day 1

8:30 am – 9:00 am	Registration
9:00 am – 12:30 pm	Introduction & Background Preliminary Site Investigation
1:15 pm – 5:00 pm	Geology and Hydrogeology of SA Conceptual Site Models

*Lunch, morning and afternoon tea provided*

### Day 2

8:30 am – 9:00 am	Registration
9:00 am – 12:30 pm	SAQP development Detailed Site Investigation
1:15 pm – 5:00 pm	Risk Assessment Remediation/Management

*Lunch, morning and afternoon tea provided*

### To Register:

Please submit the registration form to [sa@aclca.com.au](mailto:sa@aclca.com.au) by 30 September 2022.

Once the form has been received a tax invoice will be issued for payment and is to be made before attending.

Please note that all registrations are taken as confirmed. Cancellations will not be accepted after close of business on 30 September 2022. No refunds will be given thereafter, although a substitute will be accepted.
