

TOPIC: SITE CONTAMINATION AND THE EP ACT AND WHAT'S COMING FROM THE EPA IN 2018

Presented by: Andrew Pruszinski (EPA)

Time: 12:00 pm for 12:30pm start – until 1:30pm approx.
Date: Wednesday 21 March 2018
Where: Pilgrim Hall (Pilgrim Uniting Church) – 12 Flinders Street Adelaide

Synopsis:

The EPA's experience is that professional understanding of the Site Contamination provisions of the *Environment Protection Act 1993* is widely varied. In this presentation Andrew will provide an overview of the Site Contamination provisions in an informative and lively session. The EPA and ACLCA offers this presentation as a good chance for seasoned and new practitioners alike to have an update and improve consistency of understanding.

Andrew will also use the opportunity to provide a brief update on the progress of the Assessment and Remediation Framework and the Certification Policy. Time permitting, he will also discuss the orphan sites policy and what is else is on the EPA horizon for 2018.

Presenter's Bio:

Andrew Pruszinski is the Manager of the Site Contamination Branch at EPA. He has over thirty years of professional experience in industry, mining, consulting and as a regulator.
